AGENDA

- Ice breaker
- Review of the Data Team's responsibilities
- Data presentation: CA Healthy Youth Survey
- Partnership and Data Collection List
- Short- and long-term goal setting
- Adjourn, next steps

SUICIDE PREVENTION STRATEGIC PLAN— Data Team Responsibilities

- 1) Review and present suicide death and attempt data on an annual basis
- 2) Use data on a continuous basis to inform strategic plan priorities, implementation, and effectiveness
- 3) Monitor data to identify:
 - existing and emerging trends
 - factors that may increase or lessen risk, and
 - at-risk population groups
- 4) Identify opportunities to enhance data capacity and expand data collection processes: today's focus
- 5) Support the development of an annual report on status of suicide related behaviors (deaths, attempts, hospitalizations) as well as prevention activities (i.e. calls to crisis lines)
- 6) Establish data-sharing protocols and refine centralized reporting systems

California Healthy Kids Survey: California Department of Education,
Coordinated School Health and Safety Office

Question asked in this survey: “During the past 12 months, did you ever seriously consider attempting suicide?”

What other community surveys may be taking place that could reach other age groups? Are there ways to incorporate suicide-related questions?

DATA COLLECTION LIST REVIEW

- Updates from the team:
 - Monica: Tracking and measuring risk and 5150 in the schools
 - Todd: Corrections
 - Leslie: College of Marin
 - Linda: Older adults
