# SUICIDE PREVENTION STRATEGIC PLAN— Data Team Responsibilities

- 1) Review and present suicide death and attempt data on an annual basis
- 2) Use data on a continuous basis to inform strategic plan priorities, implementation, and effectiveness
- 3) Monitor data to identify:
  - existing and emerging trends
  - factors that may increase or lessen risk, and
  - at-risk population groups
- 4) Identify opportunities to enhance data capacity and expand data collection processes
- 5) Support the development of an **annual report** on status of suicide related behaviors (deaths, attempts, hospitalizations) as well as prevention activities (i.e. calls to crisis lines)
- 6) Establish data-sharing protocols and refine centralized reporting systems
